**QUEBEC, CANADA - September 25, 2020** - Panthera Dental is proud to announce it placed No. 326 on the 2020 Report on Business ranking of Canada's Top Growing Companies. Canada's Top Growing Companies ranks Canadian companies on three-year revenue growth. Panthera Dental earned its spot with three-year growth of 98%.

"The Panthera Dental team is honoured to be on The Globe and Mail ranking of Canada's Top Growing Companies," says Gabriel Robichaud, CEO of Panthera Dental. "This achievement reflects the strength of our innovative products and the dedication of our team over the past three years."

Launched in 2019, the Canada's Top Growing Companies editorial ranking aims to celebrate entrepreneurial achievement in Canada by identifying and amplifying the success of growth-minded, independent businesses in Canada. It is a voluntary program; companies had to complete an in-depth application process in order to qualify. In total, 400 companies earned a spot on this year's ranking.

"The stories of Canada's Top Growing Companies are worth telling at any time, but are especially relevant in the wake of COVID-19 pandemic," says James Cowan, Editor of Report on Business magazine. "As businesses work to rebuild the economy, their resilience and innovation make for essential reading."

"Any business leader seeking inspiration should look no further than the 400 businesses on this year's Report on Business ranking of Canada's Top Growing Companies," says Phillip Crawley, Publisher and CEO of The Globe and Mail. "Their growth helps to make Canada a better place, and we are proud to bring their stories to our readers."

The full list of 2020 winners, and accompanying editorial coverage, is published in the October issue of Report on Business magazine—out now—and online at [www.tgam.ca/TopGrowing](http://www.tgam.ca/TopGrowing).
