

PRESS RELEASE

UNDER EMBARGO UNTIL DECEMBER 8, 2022, 9:00 AM (E.T.)

Panthera Dental to Exhibit at IDS 2023

Panthera Dental confirms they will exhibit at IDS 2023 in Cologne. The company will give trainings, host a Master Cup special event and happy hours and will announce a new revolutionary product live at their booth.

Quebec (Canada), December 8, 2022. Panthera Dental (Quebec, Canada), a global leader in CAD/CAM implant solutions and dental sleep appliance development, confirms they will exhibit for the first time at IDS in March 2023. From March 14 to 18, the company will showcase innovative solutions, workflows and much more at the world's leading dental show. Meet the team in Hall 1.2 at their 1,345 sq. ft. / 125 m² booth.

Take part in Panthera's live trainings, product launch, happy hours and participate in a special Master Cup event hosted in partnership with VITA to celebrate past winners and participants.

"IDS is the biggest tradeshow in the dental industry, but surely the biggest event ever for Panthera with a 1,345 sq. ft. booth. For us, it was always very clear that Panthera would one day be at IDS and that day is coming next year. The entire team is looking forward to participating and meeting the attendees," says Gabriel Robichaud, CEO of Panthera Dental.

The International Dental Show (IDS) in Cologne has always offered an excellent platform to meet with customers and partners from all over the world. Panthera Dental will showcase their innovative products, solutions and service and once again celebrate ten years of continued business with loyal customers and partners while developing new opportunities.

Located in the newest Hall 1.2, Panthera will be close to renowned high-tech dental companies. The entire Panthera team is looking forward to meeting customers and interested parties attending IDS 2023 at the Panthera booth D-010.
