"This year, the documentation in registration forms did the difference between being selected or not. Choosing the 10 participants was extremely difficult due to the quality of everyone's presentation, but these 10 talented technicians have everything to finish in the top three. It is time to cheer for your colleague, friend or for your country! Good luck to all participants!", Béatrice Robichaud, Panthera Dental Co-founder

The three winners automatically win a trip to come to Quebec City, Canada to visit Panthera Dental HQ. Participants need to complete a full case and document it for a chance to win prizes like a trip to Germany to visit the VITA HQ, a VITA SMART.FIRE, three Artex CR Gold articulators, gold bars from Cendres+Métaux, and many more.

The panel of jury are made of Miles Reed Cone, Michael J. Tholey, Ioulianos Moustakis (winner of the 2020 edition), Phil Reddington and Bernard Guggisberg. The judgement day will be in June and the winners will be announced in September. More details to come.
