ALEXIA GAUSMANN - GERMANY: GREAT WINNER OF THE PANTHERA MASTER CUP 2019

QUEBEC, CANADA - September 4, 2019 - *Panthera Dental is proud to announce that the winner of the Panthera Master Cup 2019, international competition open to dental technicians, denturists and dentists, is Alexia Gausmann, dental technician from Germany.*

The award ceremony for the Panthera Master Cup 2019 was held on August 2nd. On that day, the entire Panthera team and the contest partners presented the top three competitors with prizes valued at a total of \$20 000.

In order to receive the highest honors of the competition, Alexia Gausmann had to rival with 7 participants from France, Greece, Brazil, Spain, Turkey and the United States. The second place was awarded to Kostantinos Iliopoulos from Greece, who finished ahead of Sébastien Teffaine from France, who earned the third place.

"The Master Cup has become an international competition that stands out. This is apparent with this year's participants who come from all over the world. What is more, I am very happy to see a woman on the highest level of the podium."

Béatrice Robichaud, Cofounder of Panthera Dental

"The Panthera Master Cup was a great opportunity to experiment with a full restoration involving two implant-supported bars. I am very happy and lucky to have won. All the cases are very impressive. We can see that all participants have the talent required to be in the top 3."

Alexia Gausmann - Germany, winner of the 2019 edition

Thank you to our valued sponsors:

LMT, Rhein83, Technologie Dentaire, Ivoclar Vivadent and the Quartier Petit Champlain

Registrations for the 2020 edition will be available soon. For the latest news about the Panthera Master Cup, visit: www.pantheradental.com/mastercup

About the Panthera Master Cup

The Panthera Master Cup is a contest open to all dental technicians, dentists, or denturists who want to compete against the best. Knowledge and skills are evaluated by means of a full case involving implant-supported bars on both arches. All contestants must include documentation with their final cases. A jury of experts from the field uses a pre-established list of criteria to evaluate all cases and select the top three winners.
