PANTHERA DENTAL WELCOMES MARC DESJARDINS TO THE TEAM

- He will assume the position of Senior Technical Expert for the prosthetic and implant divisions -

QUEBEC, CANADA - February 5, 2020 - Panthera Dental is proud to welcome Marc Desjardins as Senior Technical Expert. Marc will join the team to ensure consistent product quality. He will also have to collaborate in the development of new products for Panthera's prosthetic and implant divisions.

A member of the College of Dental Technicians and a laboratory director since 1977, Marc Desjardins has over 40 years of experience in the field. Founder of *Laboratoire Lafond, Desjardins et associés*, a laboratory recognized and respected for the quality of its work, he qualifies himself as a visionary person with respect to new technologies in the dental industry.

"Due to our steady growth and the increase in our production capacity, the arrival of a Senior Technical Expert within our prosthetic and implant divisions was important for our team and will be an additional asset for our clients. We are therefore very happy to have Marc on board and look forward to a prosperous future with him", asserts Gabriel Robichaud, CEO of Panthera Dental.

"This is a major challenge for me. I am very excited about bringing my experience to the Panthera Dental team which shares values that are essential for me, such as closeness and attentive customer care. I sincerely hope to contribute to the success of the company." - Marc Desjardins, Senior Technical Expert at Panthera Dental.
