

PRESS RELEASE

FOR IMMEDIATE RELEASE

ResMed SAS and Panthera Dental have reached an amicable settlement.

Quebec, Canada, April 25, 2024. Panthera Dental (Quebec, Canada), global leader in CAD/CAM implant solutions and dental sleep appliance development, is delighted to announce that an amicable settlement has been reached between ResMed SAS and Panthera.

"We are pleased to announce that we have reached an amicable settlement with ResMed SAS that resolves all ongoing patent infringement litigation between Panthera and ResMed SAS in relation to our mandibular repositioning devices," said Gabriel Robichaud, CEO of Panthera Dental. "We are very pleased with this agreement, which represents a positive outcome for Panthera."

Intellectual property is a critical component of the innovation that drives Panthera's strategic development. As such, this settlement is an important step in our business growth.

Panthera Dental designs, manufactures and markets dental prosthetic, implantology and sleep breathing disorder solutions using an innovative CAD/CAM process and superior quality materials. Both a pioneer and a leader in the field of customized dental solutions, its proprietary technology allows it to offer next-generation products to the widest range of patients possible.

Panthera Dental is headquartered in Quebec City, Canada, with subsidiaries in the USA, France and Germany, and associates worldwide.
