

Panthera Dental Supports Zimmer Biomet Customers

On November 2nd 2016, Zimmer Biomet has officially announced its decision to stop manufacturing implant bars for third party platforms. Panthera Dental offers its services to Zimmer Biomet's customers for all their cases needing to be manufactured.

Panthera Dental's bars are compatible with over 410 implant connections, therefore offering the widest range of possibilities in the world.

To support every customer, Panthera Dental offers a full warranty on all implants supported by its implant bars and bridges. Indeed, if an implant fails, Panthera Dental will honour the original warranty exactly as stipulated by the original manufacturer. Panthera Dental even supports its customers in cases where the original manufacturer does not honour its warranty anymore due to the use of Panthera Dental's products. Please visit our website for more details on Panthera Dental's warranty:
